Plans & Cover Types

Plans

This product contains the following plans:

- Comprehensive
- Essentials
- Domestic
- Multi-Trip

The plan(s) which are available for your journey depends on your travel arrangements and is subject to you meeting the eligibility criteria. The **Table of Benefits** on pages 11 to 14 sets out the benefits and limits which apply to each plan.

Depending upon your pre-existing medical condition(s), we may be unable to provide you with cover for any medical or hospital expenses, or for any other losses or expenses arising from, related to or associated with any injury, illness or sickness suffered by you.

If that is the case, you may be able to purchase our Non-Medical Plan. Please refer to the **Table of Benefits** and the **Pre-existing Medical Conditions** section for further information about this plan.

Cover Types

The cover type which will apply to your policy is based on the number of eligible travellers to be listed on your Certificate of Insurance.

The following cover types are available. Where a cover type advises that it covers a spouse/partner or dependants, cover is only provided if those persons are named on your Certificate of Insurance.

Single

Covers you and your dependants. The single benefit limits are shown in the **Table of Benefits** under the plan you have selected. The benefit limits apply to all claims combined, including any dependants and not to each insured person.

Duo

Covers two insured persons travelling together - but does not provide cover for dependants. The duo benefit limits are shown in the **Table of Benefits** under the plan you have selected. The benefit limits apply to all claims combined for each insured person. Cover for dependants is not included with this Plan.

Family

Covers you and your spouse/partner and dependants. The family benefit limits are shown in the **Table of Benefits** under the plan you have selected. The benefit limits apply to all claims combined, including dependants and not to each insured person.

Non-Medical

Covers one insured person only. The benefit limits are shown in the **Table of Benefits** under the Non-Medical Plan. A dependant is covered as an insured person under this plan.

Multi-Trip

Covers the insured persons named on the Certificate of Insurance. The Multi-Trip benefit limits are shown in the **Table of Benefits**. The benefit limits apply to all claims combined for each insured person per journey. However, except for **Benefit 6.1 Personal Liability**, all other benefit limits and sub-limits which are available under the Multi-Trip Plan are reinstated on the completion of each journey. Dependants are covered as insured persons rather than dependants under this plan.

Period of cover

We will confirm the issue of your policy by providing you with a Certificate of Insurance. The Certificate of Insurance will list the period you are insured for. See **When does my cover start?** and **When does my cover end?** below.

Important travel alert information

Before purchasing your travel insurance, check www.smartraveller.com.au and www.allianzpartners.com.au/travel-insurance/travel-alerts for travel alerts or advisories for your intended destination(s).

Coverage may be affected or declined where a claim arises because you did not

follow an advice or warning issued by an Australian government relating to your destination. This includes travelling when a 'Reconsider your need to travel' or 'Do not travel' alert is in place and not taking action to minimise or avoid any potential claim. Please note, this also applies even if the Australian government has given you permission to travel or you fall under a specific exemption where there is otherwise a travel ban in place that prohibits you from travelling.

Where will I be covered?

Before you select your plan, we will ask you to list the destinations you intend to visit, including any destination where you will have a transit time or stop-over of more than 24 hours. However, you don't need to list the destinations where your transit time or stop-over is less than 24 hours.

If you haven't yet decided on all of the destinations you will be visiting, you can list the region(s) you're travelling to instead (rather than trying to work out each destination).

The Certificate of Insurance will list the destination(s), countries, and/or regions you have selected for cover. In addition, the Certificate of Insurance will also list the region/s you can travel to with this cover at no additional cost. See pages 78 to 80 for our **Regions** list.

Aside from any destinations where your transit time or stop-over is less than 24 hours, your policy will not provide cover outside of the destination(s), countries and/or regions listed on your Certificate of Insurance.

When does my cover start?

For a Comprehensive, Essentials, Domestic, Multi-Trip or Non-Medical Plan:

- cover under **Benefit 2.1 Cancellation** begins from the date your policy is issued - this is shown on your Certificate of Insurance as the date of issue. Note that cover under **Benefit 2.1 Cancellation** only applies to the travel arrangements you will be using between the start and end dates shown on your Certificate of Insurance.
- cover for all other benefits begins when you start your journey or on the start date shown on your Certificate of Insurance, whichever happens later.

When does my cover end?

For a Comprehensive, Essentials, Domestic or Non-Medical Plan:

- all cover finishes at the end of your journey or on the end date shown on your Certificate of Insurance whichever happens first.

For the Multi-Trip Plan:

- all cover finishes at the end of your journey, at the expiry of the nominated journey period or on the end date shown on your Certificate of Insurance, whichever happens first.

You are only covered for incidents or events when you are on a journey during the period you nominated as shown on your Certificate of Insurance. The maximum period for any one journey under the Multi-Trip Plan, is shown on your Certificate of Insurance.

Automatic extensions of cover

Your cover will be extended at no additional charge if your return to your home has been delayed because of one or more of the following:

- a bus line, airline, shipping line or rail authority you are travelling on, or that has accepted your fare or luggage and personal effects, is delayed; or
- the delay is due to an event that is covered under this policy. If the event causing the delay is not covered under this policy, please refer to the "Extending your cover if you are already travelling" section of the PDS as you may be eligible to extend your original period of cover.

The cover provided under **Benefit 1.4 Accidental Death** will not automatically extend for any period more than 12 consecutive months from the start date shown on your Certificate of Insurance, in any circumstances.

The cover will end when you return home or if after assessment of your claim, the reasonable medical advice is that you are medically fit to return to Australia, the cover will end on the date that Allianz Global Assistance would have been able to reasonably facilitate your return to Australia.

Extending your cover if you are already travelling

If you are already travelling and would like to be insured for longer than your original period of cover, you will need to apply for cover prior to the expiry of your original policy.

To apply, please contact us on the number shown on the back cover of this PDS to determine your eligibility. Please note

that acceptance is not guaranteed and may be subject to certain underwriting requirements. If accepted, additional premium will apply.

If we accept your application, we will issue you with a new policy which will not be an extension of your original policy. A new period of cover will apply and you will be issued with a new Certificate of Insurance. The period of cover on your new Certificate of Insurance cannot exceed 12 months from the start date shown on your new Certificate of Insurance for Comprehensive, Essentials or Non-Medical plans and 69 days for Domestic plans.

A new policy cannot be provided if you are already travelling and if your original policy is:

- a Multi-Trip plan; or
- an Essentials plan if you are aged 75 years or over at the time you apply for a new policy to extend your cover.

Important: Cover under your new policy will not be provided:

- for any pre-existing medical condition covered under your original policy unless you make further application for cover and Allianz Global Assistance agrees to provide cover for your pre-existing medical condition;
- for any medical condition you suffered during the term of your original policy (which will be defined as a pre-existing medical condition under your new policy) unless you apply for cover for your pre-existing medical conditions at the time you apply for your new policy; or
- for any circumstances that have given (or may give) rise to a claim under your original policy.

Excesses

An excess is an amount which may be deducted from any claim payment we make to you. Please read the following information about the types of excesses which may apply to your policy.

Base excess

Your policy has a base excess which is shown on your Certificate of Insurance.

The base excess applies to all events causing a claim except where the claim is payable under any of the following benefits in which case the base excess will not apply:

1.1 Overseas Emergency Assistance

1.3 Funeral Expenses

3.2 Travel Delay Expenses

4.2 Luggage & Personal Effects Delay Expenses

4.4 Theft of Cash

7.3 Cabin Confinement

7.6 Formal Wear Delay Expenses

7.7 Marine Rescue Diversion

7.12 Piste Closure

You also have the option to vary the amount of the base excess - refer to **Varying The Base Excess** in the **Optional Covers** section for details.

Other excesses

a] If you apply for cover of your pre-existing medical conditions (and Allianz Global Assistance agrees to provide you with cover), a medical excess may apply to claims arising from

those approved pre-existing medical conditions. Where a medical excess applies to a claim, it will replace the base excess, not be additional to it.

We will inform you in writing if a medical excess applies and this will be shown on your Certificate of Insurance.

For example: Sam selects a \$200 base excess for his policy. Sam applies for cover of a pre-existing heart condition. Allianz Global Assistance agrees to provide cover for this condition and Sam selects a \$500 medical excess. If Sam needs to make a claim arising from this condition, the medical excess of \$500 will be applied to the claim. However, if Sam needs to make a claim which is not related to any covered pre-existing medical condition, then the \$200 base excess will be applied - not the medical excess.

b] In addition to your base excess, a non-removable excess of \$500 will apply to any claim payable under **Benefits 1.2 Overseas Medical & Hospital Expenses** and **2.1 Cancellation** if you have purchased:

- a **Snow Pack** and your claim arises from your participation in snow sport activities; or
- an **Adventure Pack** and your claim arises from your participation in any of the activities listed under the **Adventure Pack** in the **Optional Covers** section.

Applying for cover

When you apply for your policy, we will confirm with you things such as the period of cover, your premium, what cover options you have selected and what excesses will apply, and whether any standard terms are to be varied. These details will be recorded on the Certificate of Insurance issued to you which may vary the standard PDS terms.

To confirm any policy transaction, (if the Certificate of Insurance does not have all the information you require), call Allianz Global Assistance using the contact number shown on the back cover of this PDS.

If we are unable to offer you the cover you seek, it will be because the particular product offered is not designed to cover a particular risk or risks including, but not limited to, some geographical regions, some pre-existing medical conditions or some ages. In such a case, if you would like to discuss your options please use the contact details on the back cover of this PDS, or contact the Insurance Council of Australia (ICA) - the ICA provides a referral service which is available on their website at www.insurancecouncil.com.au. Select *'Find an Insurer'* to view a list of general insurers who may be able to provide insurance to suit your requirements.

Your insurance premium

The cost of your insurance is called a 'premium'. You will be told the premium that is payable for your policy when you apply and it will be shown on your Certificate of Insurance.

The premium amount is calculated using a number of factors including:

- your risk profile. We work this out using a number of factors such as:
 - your travel destination(s),
 - the length of your journey,
 - the amount and type of cover you require,
 - the number of people to be insured under the policy, and their ages,
 - the time between the date you purchase your policy and the start date of your journey,
 - the pre-existing medical condition(s) of the people insured under the policy,
 - the likelihood of a claim being made on your policy.
- any discounts that may apply;
- any government charges we pay, such as Stamp Duty and GST;
- any other charges we tell you about;
- the excess you choose.

Cooling-off period

Even after you have purchased your policy, you have cooling-off rights.

If you decide that you do not want your policy, you may cancel it within 14 days after you are issued your Certificate of Insurance. We will give you a full refund of the premium you paid, provided:

- you have not started your journey; and
- you do not want to make a claim under your policy; and
- you do not want to exercise any other right under your policy.

Cancellation after the cooling-off period

If you wish to cancel your policy more than 14 days after you are issued your Certificate of Insurance, we will provide a partial premium refund of the premium you paid, provided:

- you have not started your journey; and
- you do not want to make a claim under your policy; and
- you do not want to exercise any other right under your policy.

We will calculate the partial refund on a pro-rata basis from the date you contact us to cancel your policy until the end date of the period of cover provided by your policy.

Cancellation after the cooling-off period due to COVID-19

If you have been prevented from travelling or, where you have already commenced your journey, you have had your journey shortened, because:

- of a border closure arising from COVID-19; or
- you are required to complete a mandatory quarantine period because of where you are travelling or intend to travel to or from,

you may cancel your policy after the cooling-off period. We will give you a partial refund or full refund of the premium you paid, subject to the conditions outlined below.

The border closure or quarantine must be:

- due to COVID-19; and
- enforced by a government or other competent authority in the jurisdiction where you are travelling or intend to travel to or from; and
- in effect at the time you cancel your policy or at the time when you are due to commence your journey.

We will calculate any premium refund we give you due to border closure or quarantine arising from COVID-19 as follows:

Cancellation of single trip policies due to COVID-19

If you have not commenced your journey

We will provide a full premium refund.

If you have commenced your journey

We will provide a partial premium refund.

We will calculate the partial refund on a pro-rata basis from the date you returned home from your journey until the end date of the period of cover provided by your policy.

You will not be eligible for any premium refund if:

- you have made a claim which is paid in part or full; or
- you want to make a claim; or
- you want to exercise any other right under your policy.

Cancellation of Multi-Trip policies due to COVID-19

If you have not commenced any journey

We will provide a full premium refund.

If you have commenced a journey and your journey was shortened due to a COVID-19 border closure or quarantine

We will provide a partial premium refund.

We will calculate the partial refund on a pro-rata basis from the date you returned home from your journey until the end date of the period of cover provided by your policy.

If you have undertaken a previous journey but did not have your previous journey shortened due to a COVID-19 border closure or quarantine

We will provide a partial premium refund.

We will calculate the partial refund on a pro-rata basis from the date you contact us to cancel your policy until the end date of the period of cover provided by your policy.

Note: If you cancel your multi-trip policy, there will not be cover under the policy for any event occurring after the policy cancellation date.

Outside of these circumstances, you can still cancel your policy but, we will not refund any part of your premium if you do.

The table below sets out the benefits that apply to each of the plans listed and the maximum amount we will pay for all claims combined under each benefit. **This table is a summary only. Multi-Trip and Non-Medical plans

Multi-Trip Plan

- 12 month policy which covers the number of journeys that can be taken having regard to the maximum journey period chosen by you.
- A journey which is limited to travel within Australia must include a destination at least 250 kilometres from your home (there is no cover for journeys limited to less than 250 kilometres from your home).
- When purchasing this plan, you will need to specify the duration of your longest journey within the 12 month policy period to ensure all of your journeys are covered. The duration you choose **must cover** the total number of consecutive days in your **longest journey**. You will be able to choose from **up to 15 days, up to 30 days or up to 45 days**. The number of days you nominate will be shown on your Certificate of Insurance.

For example: John is travelling domestically for one week (7 days) and internationally for four weeks (28 days) within the 12 month policy period. John would choose up to 30 days as this is the duration of his longest journey.

- Benefits limits and sub-limits are per person and are reinstated on the completion of each journey except for **Benefit 6.1 Personal Liability** - the amount shown in the **Table of Benefits** is the most we will pay for all claims combined under **Benefit 6.1** for the 12 month policy period.

- Not available to travellers aged 75 years or over at the time the Certificate of Insurance is issued.
- Your spouse or partner, accompanying dependants or travel companion may be covered under this plan if they are aged under 75 years at the time the Certificate of Insurance is issued. If you require cover for your spouse or partner, accompanying dependants or travel companion, you can add them at the time of purchasing this plan. If cover is available, an additional premium will apply.

Non-Medical Plan

In addition to no cover being provided under **Benefit 1.1 Overseas Emergency Assistance, Benefit 1.2 Overseas Medical & Hospital Expenses** and **Benefit 1.3 Funeral Expenses** it is important to note that under a **Non-Medical Plan**, there is no provision for you to claim under the following benefits if the claim arises from, is related to or associated with any injury or sickness suffered by you:

2.1 Cancellation

3.1 Additional Expenses

3.2 Travel Delay Expenses

The table on the next page sets out the benefits that apply to each of the plans listed and the maximum amount we will pay for all claims combined under each benefit.

This is a summary only. Please carefully read the PDS in full to ensure you understand the extent of cover provided and limitations (including any sub-limits) that apply.

Pre-existing Medical Conditions

Pre-existing medical conditions can complicate medical treatment, lengthen your recovery time, and increase medical costs if you are injured or become sick while overseas. The likelihood of needing to cancel your holiday for health reasons is also a possibility. Therefore it is important that you understand what this product covers when it comes to your health.

Please ensure that you read the definition of pre-existing medical condition in the section headed **Our Definitions**. The definition makes reference to 'a condition of which a reasonable person in the circumstances, should have been aware at the time of issue of the Certificate of Insurance'. Reference to a reasonable person is a reference to what would be expected of an average person in the circumstances.

Please read the following information carefully

We will only provide cover for claims which arise directly or indirectly from your pre-existing medical condition **if** you have disclosed the condition to Allianz Global Assistance **and** they have agreed in writing to include cover under your policy for the condition. Details of the approved pre-existing medical condition(s) will be set out on your Certificate of Insurance or Medical Terms of Cover document.

If you:

- choose not to disclose any pre-existing medical condition; or
- disclose your pre-existing medical condition to Allianz Global Assistance but do not accept the offer from them to include cover under your policy for your condition,

you won't be covered for any claim that arises from that condition.

Including cover for your pre-existing medical condition

You can apply to include cover under your policy for certain pre-existing medical condition(s) at the time of purchasing your policy. You will need to complete our medical assessment which can be done on-line or by calling the sales and general enquiries number shown on the back cover of this PDS.

If you are pregnant at the time of purchasing your policy, your pregnancy is considered to be a pre-existing medical condition. Please ensure you read the section titled **Travel During Pregnancy** on page 18 for important information about the cover this product provides for pregnancy and when you need to apply for cover of a pre-existing medical condition.

Signs or symptoms of undiagnosed medical conditions

If you are experiencing signs or symptoms of a medical condition at the time of purchasing your policy, but

- you have not sought medical advice or a diagnosis;
- you have not been diagnosed;
- you are awaiting a specialist opinion; or
- the signs and symptoms are under investigation, (collectively, undiagnosed medical condition)

you cannot apply to include cover for the undiagnosed medical condition under

your policy as a pre-existing medical condition. Examples of undiagnosed signs or symptoms include, but are not limited to, unexplained bleeding, persistent cough, or localised mass or growth.

In these circumstances, the pre-existing medical exclusion will be applicable. Refer to the **general exclusions** on page 58 for more details.

If after you have purchased your policy and the medical investigation of your signs or symptoms has been completed and a diagnosis has been made for those signs and symptoms, provided you have not started your journey, you can complete a pre-existing medical assessment relating to the signs or symptoms investigated. Please note that acceptance is not guaranteed. If accepted, an additional premium will apply.

You cannot apply for cover of any pre-existing medical conditions:

- under the Essentials or Non-Medical Plans; or
- which involve signs or symptoms you are aware of but which have not yet been diagnosed by a medical adviser, or which are under investigation, or are awaiting a specialist opinion; or
- for any person who is not travelling with you on your journey and who will not be listed as an insured person on your Certificate of Insurance.

What happens once you apply for cover of a pre-existing medical condition?

Once you have completed our medical assessment, we will advise you of the

outcome. Depending on your pre-existing medical condition(s), Allianz Global Assistance may either:

- a]** agree in writing to include cover under your policy for your pre-existing medical condition(s) (an additional premium may be payable, and a medical excess may apply); or
- b]** decline to include cover under your policy for your pre-existing medical condition(s); or
- c]** decline to provide you with cover for any medical or hospital expenses, as well as for any other expenses arising from, related to or associated with any injury, illness or sickness suffered by you.

Please note that if Allianz Global Assistance declines to provide you with cover as stated in point **c]** above, you will not be able to continue with your purchase; however there may be other options available such as:

- you may be eligible to purchase our Non-Medical Plan - refer to the **Table of Benefits** on page 14 for details of the benefits available under this type of plan. Please call us on the sales and general enquiries number shown on the back cover of this PDS for further information; or
- contacting the Insurance Council of Australia (ICA) - the ICA provides a referral service which is available on their website at www.insurancecouncil.com.au. Select 'Find an Insurer' to view a list of general insurers who may be able to provide insurance to suit your requirements.

If you have any other questions about pre-existing medical conditions, please call the sales and general enquiries number shown on the back cover of this PDS.

Travel during pregnancy

If you know you are pregnant at the time of purchasing your policy, and:

- you have had pregnancy complications[△] with this or a previous pregnancy; or
- you are expecting more than one child,

you will need to apply to include cover under the policy for claims arising directly or indirectly from your pregnancy by completing our medical assessment.

Otherwise, you do not need to tell us about your pregnancy as your policy will automatically provide cover for pregnancy-related claims arising from an unforeseen event, as long as:

- the event occurred prior to the 24th week of your pregnancy; and
- it is not something excluded under the policy.

This automatic cover will also apply if you fall pregnant or discover you are pregnant after your Certificate of Insurance has been issued.

Important: the cover provided under this product in relation to pregnancy is for unforeseen events only. Even if Allianz Global Assistance has included cover under your policy for your pregnancy, this product will **never** provide any cover for:

- a pregnancy once it is 24 weeks or more gestation; or
- any expenses for routine or regular antenatal care; or
- childbirth at any stage of your pregnancy or costs relating to the care or health of a newborn child, other than as a result of an accident occurring prior to the 24th week of your pregnancy which:

- causes you to give birth prematurely; or
- requires you to be admitted to hospital beyond the 24th week of your pregnancy, during which time your child is born.

Please ensure you read the other sections of the PDS so that you are aware of the limitations and extent of the cover the policy provides. In particular, please consider the **General Exclusions** on pages 58 to 62 as well as **Our Definitions** on pages 72 to 77.

[△]We define 'pregnancy complications' as meaning a medical condition for which the diagnosis is distinct from pregnancy but is caused by or adversely affected by pregnancy.

Useful Tips

1. It's a good idea to make sure your doctor and/or midwife are aware of your travel plans.
2. Be aware that due to health and safety requirements, many airlines and ferry/cruise companies have their own restrictions regarding travel during pregnancy. Please note that their requirements may be different to the terms and conditions set out in this product.
3. Consider whether this insurance is appropriate for your needs if you are planning to travel beyond 24 weeks' gestation.

- b] any claims under this benefit arising from your participation in snow sport activities. However, you may have cover under **Benefit 7.8 Overseas Emergency Snow Sport Assistance** if you have purchased the optional Snow Pack;
- c] any claims under this benefit arising while you are on a cruise. However, you may have cover under **Benefit 7.2 Evacuation Cover - Ship to Shore** if you have purchased the optional Cruise Pack.

1.4 Accidental Death

1.4.1 What we cover

If, during the period of cover for your journey:

- a] you are injured and due to that injury you die within 12 months of it occurring; or
- b] something you are travelling on or in disappears, sinks or crashes and your body is not found within 12 months and you are presumed dead,

we will pay the benefit limit payable under this benefit to your estate.

The amount we will pay under this benefit is the benefit limit for the plan selected.

Please ensure you also read all the other sections of the PDS - in particular, consider the **General Exclusions on pages 58 to 62 and Our Definitions on pages 72 to 77.**

1.5 Permanent Disability

1.5.1 What we cover

If you are injured during the period of cover for your journey; and

- a] due to that injury, you suffer permanent disability (permanent loss of all the sight in one or both eyes, or the use of a hand at or above the wrist or a foot at or above the ankle), within 12 months of the injury occurring; and
- b] your permanent disability continues for at least 12 consecutive months and at the expiry of that period, in the opinion of an appropriate medical specialist, is beyond hope of improvement,

we will pay the benefit limit payable under this benefit to you.

The amount we will pay under this benefit is the benefit limit for the plan selected.

1.5.2 What we do not cover

To the extent permitted by law we will not pay if your permanent disability arises from, is related to or associated with your participation in snow sport activities or activities listed under **Adventure Pack** in the **Optional Covers** section. This exclusion applies even if you have purchased a **Snow Pack** or an **Adventure Pack**.

Please ensure you also read all the other sections of the PDS - in particular, consider the **General Exclusions on pages 58 to 62 and Our Definitions on pages 72 to 77.**

2.1 Cancellation

A default limit for Benefit 2.1 Cancellation is automatically included in your cover unless you make a selection. However, you are able to choose different levels of cover from the amounts available to you when you purchase your policy. Any benefit limit selected by you will be shown on your Certificate of Insurance. The benefit limit shown will be the most we will pay for all claims under Benefit 2.1 Cancellation.

If you think that you may have to cancel or shorten your journey, you must tell us as soon as possible.

Call us using the contact number shown on the back cover of this PDS, or the 24 hour emergency assistance number if you are still overseas.

2.1.1 What we cover

If during the period of cover, your journey is cancelled, rescheduled or shortened because of circumstances that were not expected or intended by you and are outside your control (including if you or

your travelling companion are positively diagnosed as suffering a sickness recognised as an epidemic or pandemic such as COVID-19) we will reimburse you:

- a] the non-refundable portion of unused travel and accommodation arrangements scheduled to be used by you during your journey, that you have paid in advance of cancellation and cannot recover in any other way, inclusive of:
 - your travel agent’s cancellation fees and any commission or service fees retained by your travel agent up to the amount of commission or service fees that your travel agent would have earned had your journey not been cancelled, limited to \$1,500 per person (except under Single or Family cover types where an aggregate limit applies) up to a maximum total limit of \$3,000.
- b] for the value of frequent flyer points, air miles, loyalty card points, redeemable vouchers or other similar schemes lost by you as a result of cancelling the

services paid for or obtained with those points, air miles, vouchers or schemes, but only if you cannot recover your loss in any other way.

We calculate the amount we pay you as follows:

- i) for frequent flyer points, air miles or loyalty card points:
 - the cost of an equivalent booking based on the same advance booking period as your original booking less any payment you made toward the booking, multiplied by
 - the total number of points or air miles lost,
 divided by the total number of points or air miles used to make the booking.
 - ii) for vouchers, the face value of the voucher. If there is no face value on the voucher we pay the market value.
- c] your reasonable costs of rescheduling your journey. The most we will pay for rescheduling your journey is the unrecoverable amount that would have been payable under sub-sections **2.1.1 a]** and **b]** had your journey been cancelled. We will not pay a claim under sub-section **2.1.1 c]** in addition to a claim under sub-sections **2.1.1 a]** and **b]** for the same arrangements.
- If during the period of cover for your journey a relative of yours who resides in Australia or New Zealand:
- dies or is admitted to hospital in Australia or New Zealand as a result of a pre-existing medical condition, and
 - at the time of death or hospital admission was aged under 85 years; and
 - at the time of policy issue you were, or a reasonable person in your circumstances would have been,

unaware of the likelihood of their dying or being admitted to hospital, then, the most we will pay for all claims under sub-sections **2.1.1 a]** and **b]** or sub-section **2.1.1 c]** is \$2,000 per person (except under **Single** or **Family** cover types where an aggregate limit applies) up to a maximum total limit of \$4,000.

2.1.2 What we do not cover

To the extent permitted by law we will not pay your claim if:

- a] you were aware, or a reasonable person in your circumstances would have been aware before your policy was issued, of any reason that may cause your journey to be cancelled, rescheduled or shortened;
- b] caused by the death, injury or illness of any person, including a relative of yours or of your travel companion, who resides outside of Australia or New Zealand or who is aged 85 years or over, unless they are listed as an insured person on your Certificate of Insurance;
- c] caused by the death, injury or illness of your relative arising from a pre-existing medical condition except as specified under sub-section **2.1.1 c]**;
- d] caused by you or your travel companion changing plans;
- e] caused by the breakdown or dissolution of any personal relationship;
- f] caused by any business, financial or contractual obligations which prevent you or your travel companion from travelling. This exclusion does not apply to claims where you or your travel companion are made redundant in Australia except where a reasonable person in a similar situation would have been aware before the policy was purchased that the redundancy was likely to occur;

- g] it arises as a result of a tour operator or wholesaler being unable to complete arrangements for any tour because there were not enough people to go on the tour. This exclusion does not apply to prepaid travel arrangements bought separately to reach the departure point for the tour or for other travel arrangements which do not form part of the tour;
- h] caused by delays or rescheduling by a bus line, airline, shipping line or rail authority;
- i] caused by any service provider misappropriating your funds or failing to arrange or provide services for which you have paid;
- j] caused by the financial collapse or insolvency of any service provider;
- k] caused by the mechanical breakdown of any means of transport;
- l] caused by an act of terrorism; or
- m] you are a full-time permanent employee and your pre-arranged leave is cancelled by your employer unless you are a full-time member of the Australian Defence Force or of federal, state or territory emergency services.

Please ensure you also read all the other sections of the PDS - in particular, consider the **General Exclusions on pages 58 to 62** and **Our Definitions on pages 72 to 77**.

3.1 Additional Expenses

We will reimburse reasonable additional accommodation and travel expenses if you or your travel companion cannot continue your journey, need to return to Australia, or your journey is otherwise disrupted due to any of the events described under subsections **3.1.1 a] to f]**.

3.1.1 What we cover

a] Additional travel & accommodation expenses due to your incapacity

If you cannot continue your journey because of an injury, sickness (including if you are positively diagnosed as suffering a sickness recognised as an epidemic or pandemic such as COVID-19) or pre-existing medical condition (that we have approved cover for in writing) that needs immediate and continued treatment from a medical adviser and is covered by your policy, we will reimburse your reasonable additional travel and accommodation expenses. To provide proof of incapacity and inability to travel, where reasonably practicable, you should obtain written confirmation from the treating medical adviser. Please call Allianz Global Assistance to confirm approval for these expenses. Otherwise, we may reduce the amount payable for your claim to the extent we are prejudiced. Such approval will not be unreasonably withheld or delayed.

b] Additional travel & accommodation expenses due to your travel companion's incapacity

If your travel companion cannot continue their journey because of an injury or sickness (including if your travelling companion is positively diagnosed as suffering a sickness recognised as an epidemic or pandemic

such as COVID-19) (but not a pre-existing medical condition) that needs immediate and continued treatment from a medical adviser and would be covered by this policy, we will reimburse your reasonable additional travel and accommodation expenses for you to remain with your travel companion. To provide proof of your travel companion's incapacity and inability to travel, where reasonably practicable, they should obtain written confirmation from their treating medical adviser. Please call Allianz Global Assistance to confirm approval for these expenses. Otherwise, we may reduce the amount payable for your claim to the extent we are prejudiced. Such approval will not be unreasonably withheld or delayed.

c] Emergency travel & accommodation expenses for a necessary companion

If during the period of cover available for your journey, you are admitted to hospital with a life threatening or other serious medical condition covered by your policy, or are evacuated for medical reasons covered by your policy, we will reimburse the reasonable travel and accommodation expenses for a relative or friend to travel to you, stay near you, or escort you. The relative or friend must travel to you, stay near you, or escort you on the recommendation of your treating medical adviser and with the prior agreement of Allianz Global Assistance for which approval will not be unreasonably withheld or delayed. Please call Allianz Global Assistance for approval before any expenses are incurred. Otherwise, we may reduce the amount payable for your claim to the extent we are prejudiced.

d] Return home on medical advice

If you shorten your journey and return to Australia on the advice of your treating medical adviser and with the approval of Allianz Global Assistance, such approval will not be unreasonably withheld or delayed, we will reimburse your reasonable additional accommodation and travel expenses. We will only pay the cost of the fare class that you had originally planned to return home on and you must take advantage of any pre-arranged return travel to Australia. Please call Allianz Global Assistance to confirm approval for these expenses.

e] Return home due to relative's death or hospital admission

If you need to return to Australia earlier than planned because, during the period of cover for your journey:

- your travel companion dies unexpectedly or is admitted to hospital as a result of a serious injury or illness; or
- a relative of yours or of your travel companion, who resides in Australia or New Zealand:
 - dies unexpectedly or is admitted to hospital in Australia or New Zealand as a result of a serious injury or illness; and
 - at the time of death or hospital admission was aged under 85 years,

we will reimburse your reasonable additional travel and accommodation expenses up to the limit shown in the **Table of Benefits** for the Plan you have selected, except if the death, injury or illness arises from a pre-existing medical condition.

If the death, injury or illness arises from a pre-existing medical condition, the most we will pay for all claims under sub-section **3.1.1. e]** will be \$2,000 per person (except under **Single** or **Family** cover types where an aggregate limit applies) up to a maximum total limit of \$4,000, but only if at the time of policy issue you were, or a reasonable person in your circumstances would have been, unaware of the likelihood of their dying or being admitted to hospital. No benefit is payable for additional travel and accommodation expenses arising from the pre-existing medical condition of a relative if you purchased an Essentials Plan.

Please call Allianz Global Assistance to confirm approval for these expenses.

f] Return home due to specified events

If a disruption to your journey arises from any of the following reasons during the period of cover:

- your scheduled or connecting transport is cancelled, delayed, rescheduled or diverted because of a strike, riot, hijack, civil protest, weather, natural disaster or accident affecting your mode of transport;
- you unknowingly break any quarantine rule;
- you lose your passport, travel documents or transaction cards or they are stolen; or
- you need to return to Australia early because your home is rendered uninhabitable by fire, explosion, earthquake or flood,

we will reimburse your reasonable travel and accommodation expenses to return to your home. We will only pay the fare class that you had originally planned to return home on and you

must take advantage of any pre-arranged return travel to Australia.

Please call Allianz Global Assistance to confirm approval for these expenses.

If we pay your claim and you do not have a return ticket booked to Australia before the event causing your claim occurred, we will reduce the amount of your claim by the price of the fare to Australia from the place you planned to return to Australia from. The fare will be at the same fare class as the one you left Australia on.

Whenever claims are made by you under **Benefits 3.1 Additional Expenses** and **2.1 Cancellation** for cancelled services/facilities or alternative arrangements for the same or similar services/facilities, we will pay for the higher of the two amounts, not both.

3.1.2 What we do not cover

To the extent permitted by law, we will not pay your claim if:

- a]** you were aware, or a reasonable person in your circumstances would have been aware, of any reason, before your period of cover commenced, that may cause your journey to be cancelled, disrupted or delayed;
- b]** caused by the death, injury or illness of your relative arising from a pre-existing medical condition, except as specified under sub-section **3.1.1 e]**;
- c]** you can recover your additional travel and accommodation expenses from anyone else. If you are not paid the full amount of your claim, we will make up the difference, up to the amount this policy covers your for.
- d]** your claim relates to the financial collapse or insolvency of any service provider;

- e]** caused by any service provider misappropriating your funds or failing to arrange or provide services for which you have paid;
- f]** for cancellations, delays, rescheduling or diversions to your scheduled or connecting transport unless due to a strike, riot, hijack, civil protest, weather, natural disaster or accident affecting your mode of transport; or
- g]** your claim arises directly or indirectly out of you operating a rental vehicle in violation of the rental vehicle agreement.

Please ensure you also read all the other sections of the PDS - in particular, consider the General Exclusions on pages 58 to 62 and Our Definitions on pages 72 to 77.

3.2 Travel Delay Expenses

3.2.1 What we cover

If circumstances outside your control result in an unexpected delay to your journey of at least 6 consecutive hours during the period of cover, we will reimburse your reasonable additional meals and accommodation expenses. We will pay up to \$250 per person (except under **Single** or **Family** cover types where an aggregate limit applies) up to a maximum total limit of \$500 after the initial 6 consecutive hour delay, as well as for each subsequent consecutive 24 hours that the delay continues.

No cover is provided under a **Non-Medical Plan** if the claim arises from, is related to or associated with any injury or sickness suffered by you.

3.2.2 What we do not cover

To the extent permitted by law we will not pay if a delay to your journey:

- a]** arises from an act of terrorism; or
- b]** is caused by the financial collapse or insolvency of any service provider.

Please ensure you also read all the other sections of the PDS - in particular, consider the General Exclusions on pages 58 to 62 and Our Definitions on pages 72 to 77.

3.3 Alternative Transport Expenses

3.3.1 What we cover

If your scheduled transport is cancelled, delayed, shortened or diverted during the period of cover and that means you would not arrive on time to a wedding, funeral, pre-paid airline/rail travel, pre-paid tour/cruise, pre-paid conference, pre-paid sporting event, pre-paid concert/cultural event or pre-paid accommodation which, before you left Australia, you had planned to attend or utilise while you are overseas, we will pay your reasonable additional travel expenses to enable you to arrive on time.

3.3.2 What we do not cover

To the extent permitted by law we will not pay if the cancellation, delay, shortening or diversion:

- a] arises from an act of terrorism; or
- b] is caused by the financial collapse or insolvency of any service provider.

Please ensure you also read all the other sections of the PDS - in particular, consider the **General Exclusions on pages 58 to 62** and **Our Definitions on pages 72 to 77**.

4.1 Luggage, Personal Effects & Valuables

You must take all reasonable precautions to safeguard your luggage and personal effects and your valuables. If you do not, we will not pay your claim. For example, you will not be taking reasonable precautions if you leave your belongings in a publicly accessible location:

- at such a distance from you that you are unable to prevent them being taken; or
- with a person who is not named on your Certificate of Insurance, or who is not a travelling companion or a relative (or if these persons fail to take all reasonable precautions to safeguard your luggage and personal effects or valuables).

This includes forgetting or misplacing any items, leaving them behind or walking away from them.

4.1.1 What we cover

a] Cover is provided for your luggage and personal effects or valuables if, during the period of cover for your journey, they are stolen, accidentally damaged or are permanently lost, **unless** they are:

- left in any vehicle (other than as stated in sub-section 4.1.1 c]); or
- sporting equipment while it is in use; or
- valuables which have been:
 - left in a vehicle at any time (even if they were in a concealed storage compartment), or
 - checked in to be transported in the cargo hold of any aircraft, ship, train, tram or bus, including any loss or damage which occurs during the time after check-in but prior to you collecting your items from the designated collection area,

in which case no cover will be provided under this benefit.

The amount we will pay will be the lesser of:

- the depreciated value after allowing for age, wear and tear (see the **Depreciation** section on page 69 for more detail);
- the original purchase price;

- the replacement cost; or
- the repair cost,

limited to a maximum amount for any one item of:

- \$3,000 for personal computers, tablets, cameras or video cameras;
- \$1,000 for mobile phones (including smart phones and any items with phone capabilities); or
- \$750 for all other items (including jewellery and watches),

up to the benefit limit shown in the **Table of Benefits** for the Plan you have selected.

We will not apply depreciation to any item we pay for where less than 12 consecutive months have elapsed since the item was purchased new.

A pair or related set of items are considered to be only one item for the purpose of this insurance and the relevant single item limit will be applied.

For example: a pair or related set of items could include, but not be limited to, the following:

- a camera, lenses (attached or not), tripod and accessories;
- a matched or unmatched set of golf clubs, golf bag and buggy; or
- a pair of earrings.

b] If you have purchased the optional **Increased Item Limits Cover**, the item limits set out in sub-section 4.1.1 a] will not apply to those item types shown on your Certificate of Insurance. Depreciation will also not be applied to any item types for which you have purchased **Increased Item Limits Cover**.

The maximum amount we will pay for any one item (including a pair or related set of items as shown in the example in sub-section 4.1.1 a]) is up to the increased item limit shown on your Certificate of Insurance.

The maximum we will pay for all claims combined under **Benefit 4.1 Luggage, Personal Effects & Valuables** is the benefit limit shown in the **Table of Benefits** for the plan you have selected, even if you have purchased **Increased Item Limits Cover**.

c] Any luggage and personal effects left in a vehicle will only be covered during daylight hours and only if the items were placed in a concealed storage compartment of a locked vehicle. In the event of theft, forced entry must have been made to the vehicle.

The most we will pay in the event of a payable claim under 4.1.1c] is \$200 for each item, and \$2,000 in total for all stolen items, even if you have purchased the optional **Increased Item Limits Cover**. No cover is available for valuables left in a vehicle at any time.

The maximum amount we will pay for all claims combined under this benefit is the benefit limit shown in the **Table of Benefits** for the plan you have selected, even if you have purchased the optional **Increased Item Limits Cover**.

We expect you to report any loss or theft to the police or an office of the bus line, airline, shipping line or rail authority you were travelling on when the loss or theft occurred.

You should make reasonable efforts to obtain confirmation from whoever you made the report to. This may be the easiest way to provide evidence of the loss or theft.

We may be entitled to reduce your claim if you unreasonably delay or fail to make a report. A reduction in your claim may occur to the extent of the amount of prejudice we have suffered caused by your delay.

4.1.2 What we do not cover

To the extent permitted by law, we will not pay a claim in relation to your luggage and personal effects or valuables if:

- a] the loss, theft or damage is to, or of, items which have been left behind in any aircraft, ship, train, tram, taxi, ride share or bus, or in any hotel or motel room after you have checked out;
- b] the luggage and personal effects or valuables were being sent unaccompanied by you or under a freight contract;
- c] the loss or damage arises from any process of cleaning, repair or alteration;
- d] the loss or damage arises from ordinary wear and tear, inherent defect, deterioration, atmospheric or weather conditions, insects, rodents or vermin;
- e] you do not take all reasonable precautions to safeguard your luggage and personal effects or valuables. For example, you will not be taking reasonable precautions if you leave your belongings in a publicly accessible location:
 - at such a distance from you that you are unable to prevent them being taken; or
 - with a person who is not named on your Certificate of Insurance, or who is not a travelling companion or a relative (or if these persons fail to take all reasonable precautions to safeguard your luggage and personal effects or valuables).

This includes forgetting or misplacing any items, leaving them behind or walking away from them;

- f] the luggage and personal effects or valuables have an electrical or mechanical breakdown;
- g] the damage relates to:

- items which are fragile or brittle;
 - cracking or breakage of the screen of mobile phones, smart watches, laptops or tablets; or
 - an electronic component which is broken or scratched,
- other than where:
- the item is the lens of spectacles, binoculars or photographic or video equipment; or
 - the damage was caused by a crash involving a vehicle or carrier in which you are travelling; or

- h] you are entitled to be reimbursed by the bus line, airline, shipping line or rail authority you were travelling on when the loss, theft, misplacement or damage occurred. However, if you are not reimbursed the full amount of your claim, we will pay the difference between the amount of your loss and what you were reimbursed, up to the limit of your cover (allowing for depreciation due to age, wear and tear if applicable under the plan you have purchased. See the **Depreciation** section on page 69 for more details.).

Please ensure you also read all the other sections of the PDS - in particular, consider the General Exclusions on pages 58 to 62 and Our Definitions on pages 72 to 77.

4.2 Luggage & Personal Effects Delay Expenses

4.2.1 What we cover

If during the period of cover your luggage and personal effects are delayed,

misdirected or misplaced by the carrier for more than 10 consecutive hours (except on the leg of your journey to your home), we will reimburse you for the reasonable expenses you incur to purchase essential items of clothing or other personal items.

You should make reasonable efforts to obtain confirmation from the carrier who was responsible for your luggage and personal effects confirming that your items were delayed, misdirected or misplaced. This may be the easiest way to provide evidence of the delay.

If your items are not returned to you and are considered to be permanently lost, we will deduct the amount we have paid you under this benefit from any payable claim you have made under Benefit 4.1 Luggage, Personal Effects & Valuables for those items.

4.2.2 What we do not cover

To the extent permitted by law, we will not pay if you are entitled to compensation from the carrier you were travelling on for the relevant amount claimed.

However, if you are not reimbursed the full amount, we will pay the difference between the amount of your expenses and what you were reimbursed, up to the limit of your cover.

Please ensure you also read all the other sections of the PDS - in particular, consider the General Exclusions on pages 58 to 62 and Our Definitions on pages 72 to 77.

4.3 Travel Documents, Transaction Cards & Travellers Cheques

4.3.1 What we cover

If during the period of cover for your journey, you lose any essential travel documents (including passports), transaction cards or travellers cheques, or they are stolen from you or destroyed, we will reimburse you for:

- the issuer's fees for any replacement costs (including communication costs) of the items which have been lost, stolen or destroyed; and/or
- any loss resulting from fraudulent use of your lost or stolen transaction cards or travellers cheques other than those amounts covered by any guarantee given by the bank or issuing company to you as the holder of the transaction cards or travellers cheques.

Where reasonably practicable, we expect you to report any loss or theft to the police and, in the case of transaction cards or travellers cheques, to the issuing bank or company in accordance with the conditions under which the transaction cards or travellers cheques were issued.

You should make reasonable efforts to obtain confirmation from whoever you made the report to. This may be the easiest way to provide evidence of the loss or theft.

We may be entitled to reduce your claim if you unreasonably delay or fail to make a report. A reduction in your claim may occur to the extent of the amount of prejudice we have suffered caused by your delay.

Please ensure you also read all the other sections of the PDS - in particular, consider the General Exclusions on pages 58 to 62 and Our Definitions on pages 72 to 77.

4.4 Theft of Cash

4.4.1 What we cover

If cash, bank notes, currency notes, postal orders or money orders are stolen from your person during the period of cover for your journey, we will reimburse you up to the amount shown in the Table of Benefits for the plan selected.

Where reasonably practicable, we expect you to report the theft to the police or an office of the bus line, airline, shipping line or rail authority you were travelling on when the theft occurred.

You should make reasonable efforts to obtain confirmation from whoever you made the report to. This may be the easiest way to provide evidence of the theft.

We may be entitled to reduce your claim if you unreasonably delay or fail to make a report. A reduction in your claim may occur to the extent of the amount of prejudice we have suffered caused by your delay.

Please ensure you also read all the other sections of the PDS - in particular, consider the General Exclusions on pages 58 to 62 and Our Definitions on pages 72 to 77.

5.1 Rental Vehicle Excess

This cover will apply if:

- you hire a rental vehicle from a rental company or agency;
- you are a nominated driver on the rental vehicle agreement; and
- the rental vehicle agreement offered by the rental company or agency specifies a maximum amount that you must pay if the rental vehicle is damaged or stolen.

This Benefit only provides cover for the amount specified in your rental vehicle agreement that you are responsible to pay if you are involved in an accident or the rental vehicle is stolen. Please carefully read the rental vehicle agreement and the options available to limit the amount you are responsible for. The rental vehicle agreement may also contain conditions or exclusions that you need to be aware of.

This Benefit may not provide cover for items, such as but not limited to, tyres, rims, windscreens, glass, roof and/or underbody if damage to these items is in addition to the specific amount shown in your rental vehicle agreement that you are responsible to pay for damage or theft.

5.1.1 What we cover

a] Rental vehicle accident/theft

If, during the period of cover for your journey, the rental vehicle is:

- involved in a motor vehicle accident while you are driving it; or
- damaged or stolen while in your custody,

we will pay you the lesser of:

- the amount specified that you are liable to pay under your rental vehicle agreement; or
- the cost of property damage for which you are liable,

up to the limit shown in the **Table of Benefits** for the plan you have selected.

To support your claim, you will need to take reasonable steps to provide:

- your rental vehicle agreement;
- the incident report that was completed; and
- written confirmation from the rental company or agency of the amount for which you are liable.

You may also need to provide:

- the repair account and invoice from the motor vehicle repairer (if available to you); and
- an itemised list of the value of the damage.

b] Return of rental vehicle due to incapacity

If you are incapacitated during the period of cover for your journey by an event covered by this policy, and a treating medical adviser diagnoses you as unfit to return the rental vehicle to the nearest depot, we will pay up to the amount shown in the **Table of Benefits** for your selected Plan, for the cost of returning the rental vehicle.

5.1.2 What we do not cover

To the extent permitted by law, we will not pay for a claim which arises from, or is for:

- a] any damage or theft caused by you using the rental vehicle in breach of the terms of the rental agreement;
- b] you using the rental vehicle without a licence for the purpose you were using it (such as carrying freight or passengers for payment);
- c] any loss or damage involving an unauthorised driver;
- d] costs other than those specified in sub-section **5.1.1 a] or b]**; or
- e] diminishment of value, depreciation, administration charges or other fees or any loss of use penalties charged by the rental company or agency.

Please ensure you also read all the other sections of the PDS - in particular, consider the General Exclusions on pages 58 to 62 and Our Definitions on pages 72 to 77.

6.1 Personal Liability

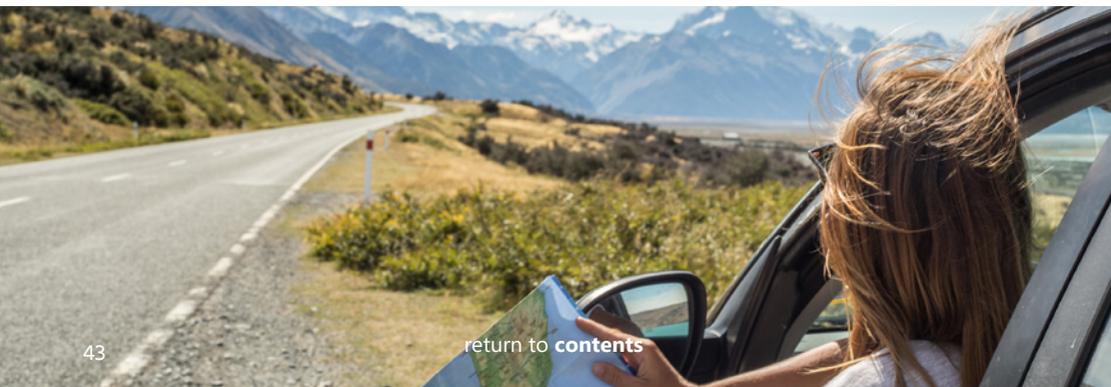

6.1.1 What we cover

If you become legally liable to pay compensation for:

- death or bodily injury to someone else; or
- physical loss of, or damage to, someone else's property,

as a result of an accident, or a series of accidents arising out of the one event, that happens during your journey, then we will cover you for:

- the compensation (including legal costs) awarded against you; and
- any reasonable legal costs incurred by you for settling or defending a claim made against you, providing you have

approval in writing from Allianz Global Assistance before incurring these costs. If you fail to do so, we will only pay for costs incurred up to the amount we would have authorised had you asked us first. Please contact Allianz Global Assistance to confirm approval for these costs.

Where reasonably practicable, we should be told as soon as you or your personal representatives are aware, or a reasonable person in your circumstances would have been aware, of a possible prosecution, inquest, fatal injury, accident or incident which might lead to a claim against you.

You should not pay or promise to pay, settle with, admit or deny liability to anyone who makes a claim against you without our written consent. If you do, we may reduce or refuse your claim to the extent we are prejudiced.

6.1.2 What we do not cover

To the extent permitted by law, we will not pay any amount you become legally liable to pay if the liability arises directly or indirectly from, or is in any way connected with, or is for:

- a] bodily injury to you, your travel companion or to a relative or employee of any of you;
- b] loss of or damage to property belonging to, or in the care, custody or control of you, your travel companion, a relative or an employee of any of you;

7.1.1 What we cover

- a]** If while on your cruise during the period of cover, you injure yourself, or become sick (including if you are positively diagnosed as suffering a sickness recognised as an epidemic or pandemic such as COVID-19), we will reimburse the reasonable medical or hospital expenses you incur until you return to Australia provided the relevant injury or sickness is covered by your policy. The medical or hospital expenses must have been incurred for treatment given or prescribed by a medical adviser.
- b]** If during the period of cover, you require treatment while on a cruise, for a pre-existing medical condition for which we have agreed in writing to provide cover, we will reimburse the reasonable medical or hospital expenses you incur until you return to Australia. The medical or hospital expenses must have been incurred for treatment given or prescribed by a medical adviser; however we will not pay for the cost of medication you were on, or the cost of a course of treatment you were receiving at the time your journey began.

We will pay for treatment received **and/or** hospital accommodation you require until either:

- you return to Australia;
- you disembark the vessel at the end of your domestic cruise; or
- a maximum period of 12 consecutive months after the sickness first presented itself, or the injury occurred, or the pre-existing medical condition

we agreed in writing to cover required treatment, has been reached, whichever happens first.

If after assessment of your claim, the reasonable medical advice indicates that you should return to Australia for treatment and you do not agree to do so, we will pay you a reasonable amount up to the limit shown under the **Cruise Pack Table of Benefits**, equivalent to:

- your medical expenses **and/or** related costs incurred overseas, including those incurred while on-board the cruise, until the date we advise you to return to Australia; plus
- the reasonable amount it would cost to return you to Australia; plus
- the non-refundable portion of unused travel and accommodation arrangements you would have lost had you followed the advice of Allianz Global Assistance.

You will then be responsible for any ongoing or additional costs relating to or arising out of the event you have claimed for.

For cover to apply:

- the tooth or teeth being treated must be healthy natural teeth (including teeth restored with fillings) with no impairment, periodontal or other conditions; and

Claims

Read through the terms, conditions, exclusions, limits and applicable sub-limits of your policy – for example, the benefits listed under the **Policy Benefits** and also in the **Optional Covers - Cruise Pack and Snow Pack Policy Benefits**, the **General Exclusions**, or on your Certificate of Insurance - to check whether you are covered.

You must notify Allianz Global Assistance as soon as you are reasonably aware of any potential claim. Please submit full details of your claim as soon as reasonably possible by either:

- lodging your claim on-line 24 hours a day at www.claimmanager.com.au; or
- emailing or posting a completed claim form to Allianz Global Assistance.

You can obtain a claim form by emailing Allianz Global Assistance at travelclaims@allianz-assistance.com.au or by calling the contact number on the back cover of this PDS.

In order to be sure that you are covered under this policy you should, where practical, always contact Allianz Global Assistance for approval before you incur expenses you wish to claim in order to check you are covered and that the amount is reasonable. If you do not, we may reduce your claim to the extent that we are prejudiced.

You must take all reasonable steps to co-operate at all times in relation to providing supporting evidence and such other information that may reasonably be required.

You must take all reasonable steps to give any information Allianz Global Assistance reasonably asks for to support your claim at your expense. Examples of information to support your claim includes police reports,

valuations, medical reports, original receipts or proof of purchase and ownership. If required Allianz Global Assistance may reasonably ask you to provide them with translations into English of any such documents to enable their consideration of your claim.

- a] If you think that you may have to cancel or shorten your journey you must tell us as soon as possible. Contact Allianz Global Assistance using the contact number shown on the back cover of this PDS, or the 24 hour emergency assistance number if you are still overseas.
- b] For medical, hospital or dental claims, contact Allianz Global Assistance as soon as practicable.
- c] For loss or theft of your luggage and personal effects or valuables, report it as soon as reasonably practicable to the police and obtain a written notice of your report. This may be the easiest way to provide evidence of the loss or theft. If you unreasonably delay or fail to make a report and we are prejudiced by your delay or failure, we may be entitled to reduce your claim by the amount of prejudice we have suffered.
- d] For damage or misplacement of your luggage and personal effects, caused by the airline or any other operator or accommodation provider, report the damage or misplacement to an appropriate official as soon as reasonably possible and take all reasonable steps to obtain a written report, including any offer of settlement that they may make.

Allianz Global Assistance will consider your claim within 10 business days of receiving a completed claim form and all

reasonably necessary documentation. If they need additional information, a written notification will be sent to you within 10 business days.

If there is a delay in claim notification, or you do not provide sufficient detail for Allianz Global Assistance to consider your claim, we can reduce any claim payable by the amount of prejudice we have suffered because of the delay.

Overseas hospital admission or medical evacuation

If you require emergency assistance, Allianz Global Assistance is only a telephone call away. The team will help with medical problems, locating nearest medical facilities, your evacuation home, locating nearest embassies and consulates, as well as keeping you in touch with your family and work in an emergency.

If you are admitted to hospital, or you are being treated as an outpatient and the total cost of such treatment is likely to exceed \$2,000, you or a member of your travelling party, should contact Allianz Global Assistance as reasonably as possible to seek approval to incur such cost. Otherwise, we may reduce the amount payable for your claim to the extent we are prejudiced. Approval will not be unreasonably withheld or delayed.

Please note that we will not pay for any hospital, medical or dental costs you incur in Australia.

This is because we are not licensed to pay these costs in Australia. Therefore, you should treat them as you would any other

health-related costs you incur when you aren't travelling, such as claiming through Medicare or your private health insurer.

You can choose your own doctor

Unless you are treated under a Reciprocal Health Care Agreement you are free to choose your own medical adviser or, if you ask them to, Allianz Global Assistance can appoint a medical adviser to see you, subject to the **'Private Medical Treatment'** exclusion on page 59.

You must, as soon as possible, advise Allianz Global Assistance of your admission to hospital or your early return to Australia based on written medical advice.

If you do not get the medical treatment you expect, Allianz Global Assistance can assist you but neither Allianz nor Allianz Global Assistance are liable for anything that results from that.

Other insurance

If any loss, damage or liability covered under this policy is covered by any other insurance, you must give us details. If you make a claim under one insurance and you are paid the full amount of your claim, you cannot make a claim under the other insurance. If you make a claim under any other insurance and you are not paid the full amount of your claim, we will make up the difference, up to the amount this policy covers you for, provided your claim is covered by this policy. We may seek

contribution to amounts we have paid, or must pay, from your other insurer. You must give us any information we reasonably ask for to help us make a claim from your other insurer.

Depreciation

When taking into consideration the age of a covered item we will deduct the following amounts from our settlement for each item you have claimed:

- For toiletries and medication (including skin care, make-up, perfume, deodorant and aftershave) we will deduct 50% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For mobile phones, smart phones, electrical devices, communication devices, all computers (including laptops and tablets), photographic equipment and electronics equipment we will deduct 20% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For clothing, footwear, luggage and books we will deduct 15% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For camping, sporting and leisure equipment (but not leisure clothing) and musical instruments we will deduct 10% of the purchase price for each year you have owned the item up to a maximum deduction of 80%;
- For jewellery we will not make any deduction;
- For all other items we will deduct 15% of the purchase price for each year you have owned the item up to a maximum deduction of 80%.

For example:

You have a \$500 digital camera that was purchased 2 years before the date it was lost. The rate of depreciation would be 20% per year.

In settlement of your claim we would pay you \$300 (i.e. we will depreciate the value of the digital camera by 20% of the purchase price for each of the 2 years you have owned it), calculated as follows:

Year 1 - Purchase price of \$500 less 20% (\$100) = \$400

Year 2 - Depreciated value of \$400 less 20% of the purchase price (\$100) = \$300

How GST may affect your claim

If you are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if you were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount we would otherwise pay will be reduced by the amount of that input tax credit.

If you are entitled to claim an input tax credit in respect of your premium you must inform us of the amount of that input tax credit (as a percentage) at the time you first make a claim. If you fail to do so, you may have a liability for GST if we pay you an amount under your policy.

Claims are payable in Australian dollars to you

We will pay all claims in Australian dollars. We will pay you unless you tell us to pay someone else. The rate of currency exchange that will apply is the rate at the time you incurred the expense. Payment will be made by direct credit to a bank account nominated by you.

You should not admit fault or liability before consulting us

You should not admit that you are at fault for any accident, incident or event causing a claim under your policy, and you must not offer or promise to pay any money, or take any steps in relation to any legal action, without the approval of Allianz Global Assistance. Such approval will not be unreasonably withheld or delayed. If you do, we may reduce or refuse your claim to the extent we are prejudiced.

Fraud

Insurance fraud places additional costs on honest policyholders. Fraudulent claims force insurance premiums to rise. We encourage the community to assist in the prevention of insurance fraud.

You can help by reporting insurance fraud by calling Allianz Global Assistance on 1800 453 937. All information will be treated as confidential and protected to the full extent under law.

Recovery

If we have a claim against someone in relation to the money we have to pay or we have paid under your policy, you must take reasonable steps to help us do that in legal proceedings. If you are aware of any third party that you or we may recover money from, you must take reasonable steps to inform us of such third party.

We may, at our discretion, undertake in your name and on your behalf, control and settle proceedings for our own benefit in your name to recover compensation or secure indemnity from any party in respect of anything covered by this policy. We will act reasonably having regard to your interests, and will keep you informed if you ask us to.

You are to assist and permit to be done, everything reasonably required by us for the purpose of recovering compensation or securing indemnity from other parties to which we may become entitled or subrogated, upon us paying your claim under this policy regardless of whether we have yet paid your claim and whether or not the amount we pay you is less than full compensation for your loss. These rights exist regardless of whether your claim is paid under a non-indemnity or an indemnity clause of this policy.

We will apply any money we recover from someone else under a right of subrogation in the following order:

1. to us, our costs (administration and legal) arising from the recovery.
2. to us, an amount equal to the amount that we paid to you under your policy.
3. to you, your uninsured loss (less your excess).
4. to you, your excess.

Once we pay your total loss, we will pay you the balance of any money left over.

If we have paid your total loss and you receive a payment from someone else for that loss or damage, you must pay us the amount of that payment up to the amount of the claim we paid you.
