Allianz Partners offers event ticket protection for Milano Cortina 2026

European fans can purchase their tickets for Olympic and Paralympic Winter Games Milano Cortina 2026 with peace of mind

Paris, 14th January 2026

Allianz Partners is proud to announce its strategic partnership with Milano Cortina 2026, introducing an innovative ticket protection insurance program designed to protect fans' investments in their ticket purchase for the upcoming Winter Olympics and Paralympics.

The event ticket cancellation insurance can be conveniently added to the shopping cart alongside event tickets, providing fans with an easy and secure way to protect their purchases. The ticket protection insurance allows fans to be reimbursed in the event of covered reasons, namely sudden and unforeseen circumstances beyond their control that prevent them from attending the Games, such as a serious and unexpected illness.

This offering is already live on the Milano Cortina 2026 website and available for residents of Italy, France, Austria, Netherlands, Switzerland, and Germany.

Ricky Horwitz, Chief Sales Officer, Travel, at Allianz Partners commented: "We are thrilled to support the upcoming Olympic and Paralympic Winter Games, offering fans the assurance that their ticket purchases are protected should unforeseen circumstances prevent them from attending. Following the success of Paris 2024, this partnership demonstrates our ongoing commitment to providing innovative solutions that offer peace of mind. After 20 years of Allianz partnership with the Paralympic Games, we are proud to once again contribute to the Olympic spirit and support fans in enjoying these remarkable events."
